JESUIT ALMA MATER

Hail Alma Mater Dear!
Loyal sons acclaim thee;
Thy sacred name revere
For its majesty.
Star of our youthful years
By thy beams illuminated
Souls advanced in wisdom's
bright careers,
Minds and hearts enlightened
Friend and guide 'neath
Standards bright
Trumpeting valor's cry
Skyward stream thy blue
and white
Thy gallant fighting sons
climb high.
So shall thy banners be,
Guides to heaven's sphere,
Lead, O lead us on to victory
Mother, Alma Mater dear.

Coach Billy Murphy

Coach Murphy gives instructions to quarterback Cliff Robicheaux during a 1983 football game.

Just as a ceremony in 1984 raised Coach Billy Murphy's portrait above the lockers in the Hall of Champions, the Jesuit *Blue Jay* here raises a salute to the coach. This 1985 edition is dedicated to Coach Murphy because we feel that during the past nine years he has served as an important catalyst in reviving Blue Jay Spirit.

During the early 1970's, when several new high schools opened in the metropolitan area, the Blue Jay athletic program became less competitive. The program hit rock bottom in the fall of 1974 when the Jays finished 1-9 in football. As one observer put it, Jesuit was flying along with one strong wing (academics) and one weak wing (athletics) before Coach Murphy became Athletic Director and Head Football Coach in 1975.

"At that time (1974)," Jesuit High President Harry Tompson related this year, "there arose a feeling in the Blue Jay community that Jesuit High should compete wholeheartedly (in athletics) or get out!"

The school's president explained that Fr. Schott (then president) and he (then principal) felt "obligated to stick with our long tradition or educating the total person — athletically, as well as academically and spiritually. So, we met with Coach Murphy and found him willing to totally dedicate himself to the task of rekindling that spirit of excellence."

The culmination of Coach Murphy's efforts blossomed in 1978 when Jesuit played St. Augustine a close game before 50,000 in the Louisiana Superdome for the State Championship and finished the season with a 13-2 mark. Since then the Blue Jays have remained competitive.

However, due to the decline of his wife's health, Coach Murphy relinquished his head coaching post last spring (1984). The coach's wife, Mary, passed away in the fall of 1984.

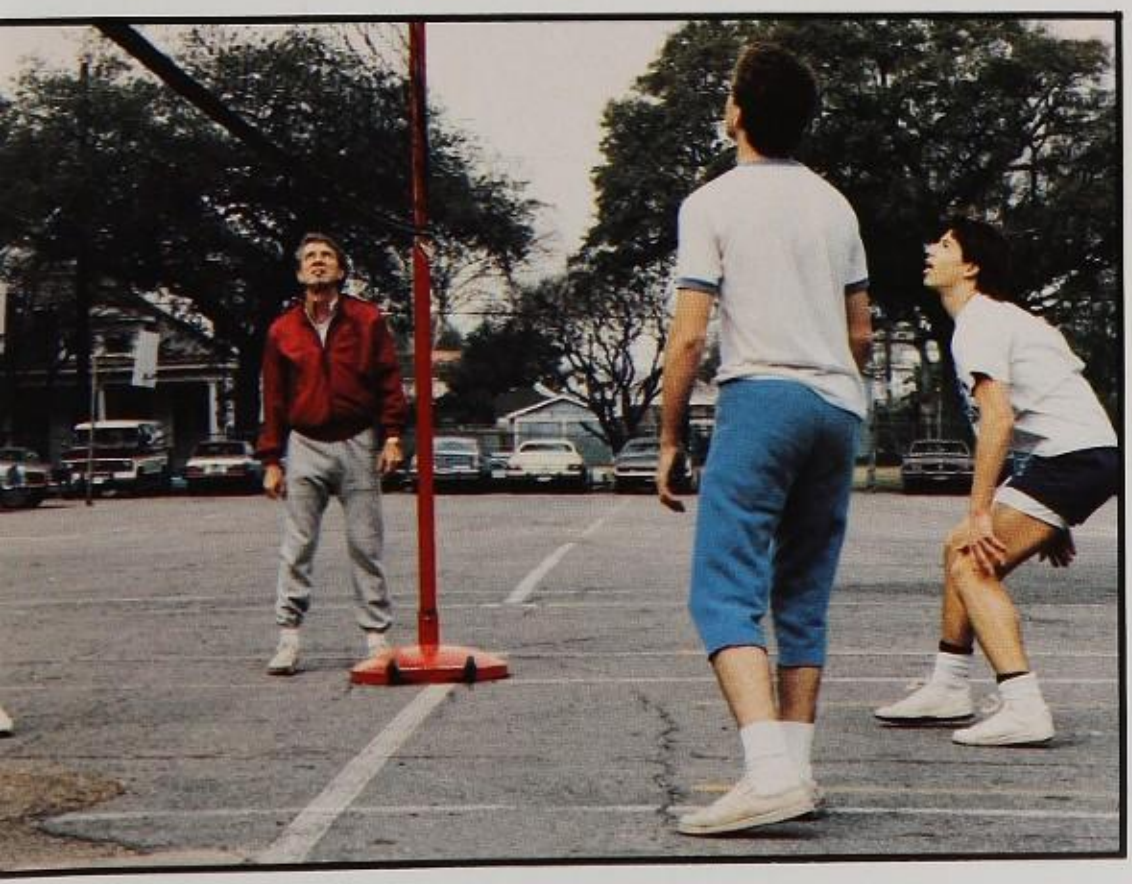
During his nine years as Jesuit's field general, Coach Murphy infused the school's extracurricular program with a spirit which reminded alumni of the enthusiasm that thrived in "the good old days." In addition, that Olympian torch which Murphy used to rekindle Blue Jay spirit has been handed on without a flicker to new head coach Frank Monica.

How did Coach Murphy do it? "Well, first of all, we knew it would take time (to rebuild). So we tried to practice patience as we progressed," Coach Murphy said during an interview in the spring of 1985. "It took a lot of stick-to-itiveness, basically, and a lot of hard work. And it took a lot of dedication from the students, the coaches, the teachers, the administration, and the alumni. Plus, it took a lot of old fashioned sweat and pain on the part of the players."

In assessing those years, Coach Murphy added: "I guess I was pretty tough (on the players) at times . . . but I always tried to let the kids know that I truly cared for them. I tried to keep it enjoyable. I felt winning was important, but not everything. The process has to make it enjoyable or it's not worth it.

"That's why the State Championship game, as great as it was, to me, was not as important as *the whole process*. To see the players develop, suffer, sacrifice, and play a part in rekindling Blue Jay pride — that was more important."

Now, after 25 years of coaching (12 as a Blue Jay), Coach Murphy teaches physical education here at Jesuit. Of his new post, we feel one thing is certain: any course Coach Billy Murphy leads will yield more than physical benefits.



Coach Murphy supervises a senior physical education class.

Jays Demonstrate Generosity

D. Shea

In the tradition of being a "man for others," Jesuit carried out Thanksgiving, Toy, and Blood Drives with enthusiasm during this 1984-85 school year. For the first time, the Thanksgiving Drive was organized and conducted completely by students. All homerooms brought in food and personally delivered the baskets to needy families. The Toy Drive earned the merit of being hailed "the best ever." Students brought in so many toys that, when delivered, Children's Hospital could only accept one of three truck loads. The remaining toys were distributed to charitable organizations. The Blood Drive, also successful, required students to truly give of themselves. Many seniors were responsive to the drive. All three drives reflected the spirit of giving and the fact that Jesuit students really care about the community in which they live.

Above: Seniors Shaun Talbot and Todd Munch deliver toys to Children's Hospital. Above right: Pre-Freshmen Homeroom 126 loads a van during the Thanksgiving Drive. Center: James DuConge, David Boyd, Randy Newchurch, and Van Falgout bring food baskets to a needy family. Right: Tommy Leonhard donates blood during the Blood Drive.

Nights Offer Advice

Each year Jesuit opens its doors to prospective students and their families during Open House Night. At this time, Jesuit students and faculty provide these people a tour of the building, the curriculum, and extracurricular displays. Career Night and College Night are held for the interests of Junior and Seniors to aid them in their lives after Jesuit. On College Night, representatives from colleges throughout the country come to Jesuit to inform the students of the benefits of their university and to provide the necessary information for application and scholarships. On Career Night, which had its debut on January 24, 1985, highly regarded representatives from several professional fields delivered presentations about their work. Both College Night and Career Night were coordinated by Mrs. Laurie Leftwich, Jesuit's College Counselor. Congratulations go to her for an outstanding job.

Annual

1985 Yearbook Staff

Work on this year's yearbook started in July of 1984 when staff members attended the Jostens Summer Yearbook Workshop at Loyola University. Here members learned the skills needed to construct a yearbook.

Following the workshop, school began and the ideas for the yearbook cover were discussed. The drawing of the Blue Jay on the cover was originally drawn by freshman Paul Kurucar. Kevin Brouphy and the Jostens staff then added the final touches.

After the cover was finished, the annual staff then began working towards the page deadlines. Editor Daniel Shea initiated the theme, "Skyward Stream Thy Blue and White," and the staff and administration chose to dedicate this year's book to Coach Billy Murphy.

Constructing a 248 page book of photographs and copy, the staff found, is not easy chore. However, with persistent hard work the annual was finally completed in June of 1985.

This year's editorial staff consisted of the following students: Daniel Shea, Editor-in-Chief; Tommy Moran, Assistant Editor; Tony Cutitto, Index Editor; Sam Juneau and Jay LaCour, Sports Editors; Jarrod Broussard, Business Manager; and Kevin Brouphy, Photography Editor.

This year's photography staff consisted of the following lensmen: Daniel Shea, Kevin Brouphy, David Watermeier, Garrett Willem, Scott Tonguis, Matt Meunier, Jerry Haddican, Dale Kiser, Skip Dauterive, and Jeff Charbonnet.

Other staff members included: Joey Biggio, Craig Cousins, Patrick Davis, Jim Redmann, Eddie Perez, Will Hamilton, and Ryan Balot.

Mr. John Travis was the *Blue Jay* moderator and Mr. Bill Hopkins served as the Josten's Yearbook Representative.

Under the direction of moderator Mr. Timothy Powers, the 1984-85 school newspaper staff published five interesting and informative issues.

The Blue Jay covered all newsworthy events, including the Thanksgiving and Christmas drives, the political forum, the Blue Jay Bazaar, and sporting events of the 1984-85 school year.

The Blue Jay newspaper staff also provided the student body with indepth articles concering new developments in the Jesuit community.

This year's staff consisted of Rick Redmann, Jr., Editor-in-Chief; Ted Fenasci, Sports Editor; Tommy Kurtz, News Editor; Richard Mann, Features Editor; and Daniel Shea, Photography Editor.

Textbooks, workbooks, and novels are an essential need of students and faculty members at Jesuit; however, the state does not provide many of these books. Therefore, the Blue Jay Bookstore fills a critical need, and the people who operate the store do a fine job of meeting the students' needs.

The bookstore is managed by Brother Everard Booth, S.J. and Brother William J. Dardis, S.J. Thanks to their work and the student workers, students can readily and conveniently purchase the books for their classes.

The 1984-85 Jesuit High Cheerleading Squad started off the year by attending the Universal Cheerleading Association Camp in Baton Rouge (at LSU). At this summer camp the squad, made up of ten new members, learned much about correct formations for stunts and pyramids. They also achieved some awards for their efforts.

Led by captains Charles Adams and Becky Gandolfi, the Blue Jay cheerleaders brought home eight ribbons from the LSU camp, and they won the award for The Most Spirited squad.

Jayson, Jesuit's mascot, also did well. He brought back five ribbons, all of Superior rating, and he also won The Spirit Stick.

The cheerleaders performed at all football games and many basketball games. The moderators for the squad were Brother William Dardis, S.J. and Mrs. Dottie Gorrondona.

The 1984-85 Chess Team proved to be one of the more successful teams in the history of Jesuit High School.

Led by Stephen Rareshide, a sophomore, the first team went undefeated wherever they competed. The culmination of the season came when the Blue Jay chessmen won the City Championship by beating Holy Cross 5-0 and Shaw 4-1.

Besides Rareshide, the team consisted of sophomores Neil Dyhrkopp and Tristan Greene, senior Stephen Dunn, and freshman Chris Tani.

In individual competition, Tristan Greene placed first overall with Brian Stevens placing first in the novice class.

With most of the team returning for at least two more years, Jesuit's future looks bright.

Jesuit's Speech and Debate Team is an organization designed to enhance the students' public speaking abilities while competing for awards. There are several areas in which members may compete, each emphasizing a different type of speaking. Two-man debate, for example, emphasizes the discussion of policy and the analysis of the policy's merits. Lincoln-Douglas debate entails the discussion of values and the development of philosophical arguments.

Under the guidance of Mrs. Julie Herad and Mr. Michael J. Major, S.J., the team experienced several successes. Locally, the Junior Division debaters succeeded in taking first, second, and third places in the St. Mary's Debate Tournament. The team also placed in several other New Orleans area tournaments. Members of the Advanced Division, competed in The Bronx Science Tournament in New York, the Northwestern University Tournament in Chicago, the Barkley Forum in Atlanta, and the Dallas Jesuit Tournament in Dallas.

In Lincoln-Douglas debates this year, both Sean Ryan and Jerry Glas won top awards. In extemporaneous speaking, an event which involves preparing speeches on current events within 30 minutes, Jorge Bravo, Neil Dyhrkopp, David Patron, and Sean Ryan reached final rounds and won awards.

In Student Congress, an event which models the U.S. Congressional debates, both Jorge Bravo and Neil Dyhrkopp won awards.

Overall, the tradition of Jesuit's Speech and Debate Teams' being one of excellence was certainly upheld this year.

French Academy

The Jesuit High French Academy is both an academic and a social club. It is academic in that its members participate in various activities that are designed to build a better understanding of French culture. However, the French Academy also has many functions which are of a purely social nature.

This year the French Academy's activities were rich and varied. The first activity of the year was a trip to the historic Cabildo to view the wonderful "Louis XIV: The Sun King" exhibit. Next up for the club was a picnic and an impromptu touch football game with Ursuline's French Academy. During the holiday season the French Academy celebrated at the Ursuline French Academy Christmas party. Then, the French Academy started off the new year by defeating the Spanish Academy in a basketball game in the Jesuit gymnasium.

To celebrate the end of the year, the French Academy enjoyed a tubing trip in Tickfaw.

Academic Games

One of the successful extracurricular activities at Jesuit is Academic Games. These games consist of two math games — On-sets and Equations — and two study games — Propaganda and Mr. President. Both the senior and junior teams did quite well this year. Along with the team success, six of Jesuit's top players were sent to Atlanta, Georgia to compete in the National Academic Games Olympics. Under the leadership of moderator Mr. David Wright, Jesuit has produced some of the finest players in the city.

Left: Members enjoy a game of on-sets.

Gaming Society

Formed in 1979, the Gaming Society has become a popular, informal group which enjoys playing a variety of competitive games. The club had about thirty members this year. Among the most popular games played were: Dungeons and Dragons, Traveler, Gama World, and Risk. Morgan Stewart was this year's president, and Archie Tatford and Neil Dyhrkopp were the other two officers.

Intramural Bowling

Intramural Bowling League

The 1984-85 Jesuit Intramural Bowling League competed throughout the school year at Mid-City Lanes. The league had 14 teams and play was held in two different rounds. The best four teams of each round advanced to the playoffs.

This year the playoffs were won by the "Awesome Foursome" which consisted of Steve Larzelere, Brad Larzelere, Alvin Haynes, and Steve Rareshide. The league's High Game Award was won by Rob Endom and Kevin Shearman. Tommy Moran had the High Series, as well as the league's highest average. Jimmy Redmann and Steve Rareshide were the most improved bowlers this year.

The officers of the league were: Rene Eiffert, President; Tommy Moran, Secretary; and Rob Endom, Treasurer.

Junior Classical League

Members Of Junior Classical League

Fifth-Year Greek Students

The Junior Classical League is comprised of juniors and seniors who have taken three or four years of Latin and/or two or three years of Greek. The Latin students have studied Roman history and literary works by Cicero, Vergil, Caesar, Ovid and others. The Greek students have studied Homer, the Gospel of John, Plato, Herodotus, Aesop, and others. Through these readings the students develop an appreciation not only for classical literature, but also of classical civilization.

This year members of the Jesuit Classical League were filmed in class by Professor Norma Goldman of Wayne State University. The film will be used as a part of a TV series: Classics Education in America. Professor Goldman seemed quite impressed by our students' knowledge of classics in both the upper and lower levels.

In the past few years the number of students in Latin and Greek has been growing. The reason for this renewed interest can only be speculated upon, but it may be that the centuries old messages in the works still have meaning for students today.

The Classical League moderator is Mr. Stephen Pearce.

Intramural Sports

1984-1985 Intramural Referees

Intramural Sports is an organization designed to direct and supervise competition between homerooms and class levels. The games, consisting of football, basketball, and baseball, are played during the first half of lunch in the school yard. T-shirts are awarded to the winning homerooms in each sport. Each year, the Intramural Sports Organization helps to direct the senior-faculty games. This year's organization was moderated by Mr. Timothy Powers.

The main goal of the Christian Life Community is to provide service to the surrounding community. Under the direction of moderators Mr. Brian Connolly, S.J. and the Rev. Eddie Gros, S.J., the C.L.C. certainly achieved their goal this year.

The highlight of the year took place on March 29 when the C.L.C. hosted the "Harry for Africa" concert in the school auditorium. The highly successful event, which generated about $1100 for local and international charities, culminated a week-long Starvation Awareness drive. During this drive, the club inspired students and faculty to contribute money and canned foods for the hungry throughout New Orleans.

This year's officers included John Lagarde, vice-president; Jason Rigol, secretary; Gerard Danos, treasurer; Dirk Wild, social chairman; and Brian Sevin, sergeant-at-arms.

National Merit Semi-Finalists

Nineteen Jesuit students were named semifinalists in the 1984 National Merit Scholarship competition.

It was the second year in a row that the number of Jesuit students named semi-finalists rose. Seventeen semifinalists were named last year and only nine were named the year before that.

The students named semifinalists are: Joseph F. Bush, John S. Creevy, Gerard L. Danos, Todd A. Dittman, Stephen M. Dunn, David R. Dyer, Rob L. Endom, Robert F. Favret, Timothy A. Frederick, Michael T. Happel, Edward Harold, Austin S. Lin, Dale P. Moore, Jason A. Rigol, Brian E. Sevin, Stephen J. Smith, Carl F. Stimac, Michael J. Thomas, and Gerald P. Weller.

The competition is based on the National Merit Semifinalist Qualifying Test. The test is given in the fall of the junior year. To qualify, a student must score in the top one-half percent of all Louisiana students taking the test.

Becoming a semifinalist can help a student to win not only a $1,000 National Merit Scholarship, but to also win a four year scholarship offered by a university or corporation.

The Philelectic Society is one of Jesuit High School's oldest student organizations. The Phils, as they are called by students, produce two high-quality Broadway productions each year. These shows are painstakingly directed by Mr. Roland Borey, III, who has been the Philelectic Society moderator since his arrival at Jesuit 16 years ago. Mr. Borey's credits here include such hits as *Cabaret, The Pirates of Penzance, West Side Story, Barnum, The Wiz,* and a multitude of other theatrical hits.

The Philelectic Society has many traditions. Among these is the yearly establishment of a Board of Directors. Board members for the 1984-85 school year were John Duarte, Van Laborde, Robbie Robinson, Monte Smith, and Gary Weller.

The Phils have a history of great success and this year was certainly no exception. The season opened with *Ain't Misbehavin'* — a spectacular review of Fats Waller's great music. For their Spring production, the society produced *Guys and Dolls* to celebrate their centennial. This was revered as one of the Phils best shows. It was certainly consistent with the Phils' 100 years of excellence.

Some members of the club submit their work to publications such as *The Blue Jay* newspaper, the *Jay Notes*, and the *Blue Jay* annual. Some members also go on to become members of the staffs of school publications.

The future of our nation depends upon its leadership in all professions within all walks of life. The leaders of tomorrow must be fully aware of the importance of cooperative efforts and must possess the social and technical skills necessary to respond to our rapidly changing world. It is with this awareness of tomorrow's challenges that the Marine Corps Junior Reserve Officer Training Corps curriculum is directed toward leadership development.

The purpose of Jesuit's curriculum is to develop informed and responsible citizens, to promote an understanding of basic elements of the military, and to help form habits of self-discipline. With these principles in mind, the Jesuit MCJROTC has continued to provide outstanding leadership and service for the Jesuit High School community.

Under leadership of Cadet Major Kevin O'Donnell, this year's ROTC participated in many events. These events included: help in setting up for school activities, marching in parades, the Color Guard's participation in school masses, and other various activities. The ROTC's curriculum ends each year in May with The Change of Command which is performed in the school yard.

As in the past, the Spanish Academy planned and participated in many events, both educational and recreational. This year's activities ranged from attending Spanish Academy dances at other schools to dining at an Hispanic restaurant.

This year's Spanish Academy officers were: George Herrera, President; Mike O'Shea, Vice-President; Jon Berthelot, Secretary; Steven Scarpero, Treasurer. The club's moderators were Mrs. Alma Blasini and Mr. John McCullough.

The Blue Jay Spirit Club, a vital part of the Jesuit High School community, helped enhance enthusiasm for a wide variety of events this year. Under the leadership of its 1984 founders, Mr. Mat Grau (moderator) and club officers Todd Cruice (president) and Charles Adams (secretary), the 1985 Spirit Club conducted many successful spirit-raising activities. Examples of activities included: Diamond Days, Soccer Week, and the co-ordination of Homecoming Week.

The Spirit Club's other jobs included painting signs for school and sporting events, leading the student body at pep rallies and games, and the selling of spirit ribbons and pins. In short, the Spirit Club plays a central role in maintaining the overall morale of the school.

Among the major projects spearheaded by the council this year were the Thanksgiving and Christmas Drives, Homecoming Week, the grade level dances and the proms, the air-band concert, and the Reagan-Mondale Political Forum. Mr. Mat Grau served as the modrator again this year, and he did a fine job. Blue Jays Defeat Crusaders To Win State Title

1985 Varsity Baseball Team Back Row (L to R)-Coach Dave Moreau, Kenneth Adolph, Alan Galy, James Ellis, Kris Heigle, John Zollinger, Asst. Seamus O'Donnell

The 1985 Jesuit Blue Jay Baseball Team completed its most successful season in five years this spring, capturing both the district and state baseball titles and compiling a 28-2 record.

Having finished the pre-season with a 9-2 mark, the Blue Jays confidently began district play against Rummel by trouncing the Raiders 13-4 behind the strong hitting of Mike Kopfler and Cliff Robicheaux. Next, the Jays held off Holy Cross 1-0 thanks to a brilliant one hitter by senior ace Glenn Leaveau. Kris Heigle claimed the next victory for the Jays in a 10-2 thrashing of De La Salle. Then, after defeating Shaw 5-1, Jesuit cut down defending state champion Brother Martin by a 4-1 margin. The Blue Jays then buried St. Augustine 18-4 with a twenty-two hit assault. In the final game of the first round, Glen Leaveau led the team to victory and a playoff berth with another one hitter against Chalmette. Thus, Jesuit remained unscathed through the first round.

In the second round the Blue Jay diamond men continued their mastery of district competition by defeating Rummel 3-2, Holy Cross 12-6, and De La Salle 8-3. Then, Leaveau fired another one hitter and the team collected eleven hits to whitewash Shaw 13-0. Next, the Jays tarnished Brother Martin's state crown with a 7-5 victory, powered by

Dirk Wilner, Robicheaux and others. Then, after shutting out St. Augustine 14-0, the Jays overcame Chalmette 13-9 to claim the district 11-AAAA title.

Entering the state playoffs with high hopes and a seventh place national ranking in *USA Today*, Jesuit annihilated Regional foe Fortier by a score of 19-4. Kris Heigle notched the mound win and nearly every team member collected a hit. However, it was senior John Zollinger who belted a bases loaded triple to spark the rally that led to the triumph.

At the State Tournament in Denham Springs, the Blue Jays drew a tough Denham Springs team with a blazing fastball pitcher named Ben McDonald. However, the Jays had Leaveau on their side, and, trailing 1-0 in the seventh inning, Jesuit rallied back to tie the score when Denham's big righthander walked Kopfler and Leaveau and Abadie bounced to shortstop. Then as Denham's secondbaseman tried to double the Jays off, Leaveau barrelled in and caused a wide throw to first allowing Kopfler to score the tying run. Mark Abadie followed with a crucial sacrifice bunt, and then Al Galy smacked a single and Kenny Adolph popped another hit to give the Jays a 3-1 margin of victory. Pitchingwise, in the end, Denham's McDonald struck out 11 while Jesuit's Leaveau fanned 13.

In their win over St. Amant, the Jays cracked open a close contest with six runs in the bottom of the sixth inning to back the two hit pitching of Jim Ellis. Heigle had three RBIs, Abadie and Wilner each drove home two, and Leaveau and Scott Senner drove in one apiece.

Then came the State Championship game against Brother Martin. Trailing 3-2 in the fifth inning, the Blue Jays bats suddenly came alive when shortstop Dirk Wilner whacked an RBI double to tie the game at 3-3. Then Mike Kopfler drew a bases loaded walk a few minutes later, and the Jays never trailed again. Glen Leaveau and Mark Abadie followed with two-run singles. And then Cliff Robicheaux drove in two more and Al Galy added another. When the dust settled Jesuit had won 13-4. The mound victory went to Kris Heigle, who finished the season with an 11-0 won-/loss mark.

After winning the State Championship, The Times Picayune/The States-Item selected Glen Leaveau as the Most Valuable Player in the New Orleans Metropolitan Area, and Coach Dave Moreau was named Coach of the Year. In addition, Mark Abadie, Mike Kopfler, and Kris Heigle were named to the All Metro Team.

In the final poll, the Jesuit Blue Jays were ranked 4th in the nation by *USA Today*.

The 1984-85 Blue Jay Basketball Team was one of desire, one that proved that dedication can fashion a winning record. In Head Coach Dale Chimento's second season at Jesuit, the varsity squad was able to shape a record of 22-8.

One of the Jays' greatest victories of the season came in the finals of the CYO Tournament in which senior center Anthony Harris scored 25 points to lead the Blue Jay cagers to a 59-47 victory over Booker T. Washington. Harris was named the tournament's Most Valuable Player. Harris ended the season averaging 20.5 points per game, a figure that enabled him to lead District 11-AAAA in scoring.

With seniors Harris, Walt Bond, Thad Westholz, and Glynn Cyprien leading the way, the Jays combined talent with enthusiasm to make the season an exciting and successful one.

The future also looks bright for Blue Jay basketball, as juniors Bryan and Ryan Hubbard, Cass Clarke, Curtis Watson, Greg Waguespack, and Bryan Benbow will be returning. Plus, sophomores Robert Weiss, Ernie Williams, Kirk Williams, Eddie Carreras, Dennis Lauscha, Jim Treigle, Eric Tanzberger, John Hamilton, Richard Hammett and others are coming on strong.

This year's junior varsity recorded an impressive 17-6 mark, and this year's freshman team went 10-0.

This year Jesuit entered two teams in the New Orleans Prep Bowling League. The "Killer Jays," with members Rene Eiffert, Rob Endom, Steve Dunn, Tommy Moran, and Todd Bourgeois, were contenders all year, but they narrowly missed the playoffs at the end of the season. The Jesuit Blue Jays, with members Kirby Gowland, George DeMare, Kevin Shearman, and John Bombardier, bowled well all year. They finished league play in second place, and they qualified for the City Playoffs. The Blue Jays finished fourth out of sixteen teams from both sides of the Mississippi River.

Jesuit's Cross Country Team, paced by senior Marc Greco, captured the District 11-AAAA Championship crown this school year — for the third year in a row.

The Blue Jay distance-men, under the guidance of Coach Warren Bernard, outraced the Brother Martin Crusaders to win the district title. Greco finished first in the district meet, and Todd Munch claimed sixth place.

Greco, who covered the three mile distance in 14 minutes and 58 seconds, is the only runner in Jesuit's history to run three miles in less than 15 minutes. He also recorded a 14:52 in an earlier meet.

The junior varsity runners also won their district championship. Freshman Patrick Browne finished first in the district meet, while sophomores Paul Garvey, Ricky Bass, and Jack Fleming notched fourth, fifth, and sixth places, respectively.

In the state meet, held in Natchitoches, La., Greco finished second out of about 150 runners representing AAAA size schools from around the state. The Blue Jays placed fifth overall.

One word can describe the 1984 Jesuit football team — AWESOME. Chosen in pre-season polls to finish no better than third in District 11-AAAA, the Blue Jays rallied to a 9-2 won/loss mark and the District 11-AAAA Championship Title.

Propelled by the running of senior Scott Senner and junior Willie Bradford, plus the passing of quarterback Tommy English, the Blue Jays triumphed in all four of their non-district season games. They defeated Riverdale 35-0, H.L. Bourgeois 21-6, Terrebonne 17-7, and Salmen 13-6.

In the District 11-AAAA season opener, the Fighting Blue Jays defeated Rummel by a score of 24-14. Senner, who notched 191 yards on 29 carries, scored on touchdown runs of 76 yards and one yard. Bradford also scored on a short scamper, and English booted a 27 yard field goal.

In the DeLaSalle game, Willie Bradford raced for four touchdowns and the "Pain Gang" (defense) held the Cavaliers scoreless for a 29-0 Jesuit victory.

Next, the Blue Jays whipped Chalmette 35-14 as Scott Senner scored three times and Bradford once. Then, the Blue Jays lifted their record to 7-0 by crushing Shaw 31-9. Willie Bradford and Tommy English sparked this win as Bradford scored two touchdowns and English threw for two more. Senner also scored once, Glen Melville recorded a key interception and Mike McMahon burst through to block a Shaw punt attempt.

In their next encounter, the Jays decisively defeated St. Augustine before a large Purple Knight Homecoming crowd. Tommy English passed for 185 yards, Scott Senner rushed for 137 yards and Willie Bradford scored twice to pace the Jays. However, the Jesuit defense, led by the play of Dante Maraldo, Tyrone Reine, and Gordy Rush, was also outstanding against the potent Purple Knights.

The Blue Jays then raised their season record to 9-0 with an important win over Brother Martin. Tommy English scored on a short run to make it 7-0, and then he connected on pases to Glynn Cyprien, Scott Decker, and Willie Bradford for another score. Willie scored in the final period on a 29 yard run.

Jesuit suffered its first loss of the season in the final district game — against Holy Cross. The Tigers' defense was sky high and the Blue Jays fell behind 13-0 early in the first quarter. However, the Jays fought back on long runs by Willie Bradford (81 yards) and Scott Senner, but time eventually ran out.

In post-season play, West Jefferson's quarterback, Simmie Carter, scrambled out of the grasp of Blue Jay defenders all night and scored three times to lead the Bucs to a 33-10 win.

Overall, however, the Blue Jays, under the leadership of Coach Frank had an AWESOME season under first year (at Jesuit) Coach Monica. The Blue Jays certainly made amends for the 3-7 record which it ended up with in 1983. And, the District Championship which the 1984 Blue Jays won marked the first such title in three years.

All District honors were bestowed upon the following players: Buster Stabinsky, noseguard; Tyrone Reine, defensive end; Dante Maraldo, linebacker; Glenn Leaveau, defensive back; Scott Senner, running back; John Ripoll, offensive tackle; Scott Decker, tight end; and Tommy English, quarterback. English was also named Most Valuable Player for the District and coach Frank Monica was named Coach of the Year in District 11-AAAA.

This year's Blue Jay Golf Team captured the District 11-AAAA title for the Spring season, but they narrowly lost the overall championship to De La Salle in a playoff match.

The team was led by seniors Michael Finney and Brian Illg, and juniors David Pitre, Mike O'Shea, Craig Todaro, and Abboud Thomas.

During the fall season, the Blue Jay golfers swept past Brother Martin and Holy Cross, and then lost close matches against Rummel and De La Salle.

With the spring season came new hopes, as the Blue Jays defeated De La Salle by seven strokes in their first match. The Blue Jays then cruised through the remainder of the spring schedule with a 5-0 record.

At the Regional Tournament the Jays played well, but they fell just one stroke short of qualifying for the State Tournament. However, Michael Finney and David Pitre qualified as medalists. And, out of the state's top 100 golfers, Finney finished fourth and Pitre finished 15th.

After the State Tournament, the golf team played state champion De La Salle for the District 11-AAAA title. Jesuit lost by five strokes, but, after the match, Finney and Pitre were voted to the All District Team.

This year's golf team was coached by Sgt. Charles Spencer, USMC.

The 1984-85 Blue Jay Soccer teams firmly established themselves as champions. All three teams (varsity, junior varsity, and junior high) garnered either District or State titles. The three games had a combined record of 48-3-2 and a combined District record of 28-1-1.

The varsity, led by seniors Jesse Arceneaux, Gerald Duhon, Joe Ryan, Sean Conway, Michael Kontos, and Jim Heurtin, captured the District 11-AAAA title with an 8-1-1 mark. In the state playoffs, the Jays defeated Ben Franklin 4-2 before being edged 2-1 by Mandeville in the semi-finals. Jesse Arceneaux received All Tournament honors for the second straight year.

The junior varsity team won its second state title in three years by beating Newman 3-1 enroute to a rematch with Rummel in the state championship game. The Jays beat Rummel twice during the regular season, but the state championship game ended in a 1-1 tie after eight overtimes.

The junior high team claimed its second straight state crown and its second straight undefeated season by defeating Holy Cross 4-0 in the state finals.

The team's record was unblemished in dual meets and then the Blue Jay "aqua jocks" went on to win the City Relay Meet, the Greater New Orleans High School Championship, and finally the State Championship.

With fresh interest and the recruitment of younger swimmers, the depth of Jesuit's Swim Team simply overpowered all opponents. Seniors David Bryan, Scott Decker, and Ed Vocke teamed up with Richard Strauss, Sam Juneau, Kevin Williams, and Jacques Whitecloud to form a super-strong nucleus this year.

Special note goes to David Bryan, Sam Juneau, Rich Strauss, and Kevin Williams who formed the omnipotent 400 yard freestyle relay team which went undefeated all season. They, of course, won the Greater New Orleans H.S. Championship and the Louisiana H.S. Championship races.

In addition, senior David Bryan received All American honors in the 500 yard and 200 yard freestyle events, and Sam Juneau garnered All American consideration in the 100 yard backstroke. Kevin Williams gained All American consideration in the 500 yard freestyle.

Bryan finished second in the State Championship Meet in both the 500 yard and 200 yard freestyle races with times of 4:41 and 1:43.5, respectively. He out-distanced everyone in the 500 yard freestyle in the Greater New Orleans H.S. Championship with a time of 4:38.1.

Juneau finished second in the State Championship in the 100 yard freestyle with a time of 48.97 seconds. He won the 100 yard freestyle in the Greater New Orleans H.S. Championship with a 48.86.

Other top Blue Jay finishers in the State Championship included excellent performances in the grueling 500 yard freestyle in which Kevin Williams placed third, Rich Strauss placed fourth, and Ramon Rodriguez finished eighth.

Teamwise, Jesuit amassed 268 points in the State Championship Meet. De La Salle was second with 180, Catholic High was third with 176 and Brother Martin finished fourth with 155 points.

The 1985 Blue Jay Tennis Team had bitter memories of losing the State Championship title by a narrow margin in 1984. So, they set out this year to erase those heartbreaking memories. Yet, with the loss of three top players to graduation and with the increasing strength of other teams, the task loomed large.

Many sceptics were quieted early as the Jays steamrolled its competition in the New Orleans Tennis Assoc. Fall Tournaments. But the mission was just beginning. In District play the team of David Kessler, Michael McNamara, Ian Williams, Kenneth Donnelly, Ricky Veters, and Brad Casey demonstrated awesome force by defeating Rummel (9-0), De La Salle (8-1), Holy Cross (8-1), and Newman (7-2). Then, in a thrilling match with Brother Martin, the Jays won 5-4.

After winning the District Championship, the Blue Jay Tennis Team swept the Regional Tournament. The doubles team of Rick Veters and Brad Casey pulled the upset of the tourney by stopping the #1 doubles team from Brother Martin. Kessler and McNamara teamed up to win the doubles competition in the end, while Williams and Donnelly reached the semifinals in singles play.

Not surprisingly, the Blue Jays were the only team to qualify for the State Meet. And, they won. Williams equalled his Regionals' performance and Donnelly reached the quarterfinals in the State Championships. The doubles team of Kessler and McNamara won the doubles crown and sealed the team's State Championship title.

This year's state champions were coached by Coach Jack Hebert.

Wrestling

Wrestlers Finish Second In District And Fourth In State

1984-85 Blue Jay Wrestling Team

The 1984-85 Blue Jay Wrestling Team finished second in District 11-AAAA and fourth in the State Championships. Many factors hindered this year's team from attaining its goal of another state title.

One injury occurred late last year when wrestler David Silvestri cracked two vertebrae in his neck during a tournament. Silvestri, who finished second and third in the state tournament as a freshman and sophomore, was favored to win the state crown in his weight class this year. But, due to the injury, he was unable to wrestle.

The team was also hurt by the fact that several wrestlers with potential quit the team because they could not handle the demanding practices or the total dedication required by the sport.

However, the season was far from being a failure. First, Coach Sam, assisted by Mr. Chris Donahue, S.J., took the team to a two day tournament in Orlando, Fla over the Christmas holidays. After the wrestling ended, the team enjoyed a day at Disney World's Epcot Center.

Soon after the team returned from Florida, it traveled up to Baton Rouge for the Lee High Invitational. This is one of the toughest tournaments during the season. Thirty-two schools from across the state and four teams from outside the state compete in this tourney. This year, Chris Gasser was the Jays' only first place champion, although Blue Jay captain Nick Lorusso captured second.

The week after the Lee High tournament, the team participated in the District 11-AAAA Championship. The Blue Jays, finishing second as a team, and had three individual winners: Carlos Bertot (105), Danny Hubbell (155), and Nick Lorusso (167). District runners-up were: Shep Baumer (98), Jeff McMillen (126), Glenn Gillen (132), and Mike Cola (185).

In the City Tournament, held the week after the District Championships, Carlos Bertot and Nick Lorusso again captured first place in their weight classes.

Following the City Tournament, the Regional Tournament was held at Jesuit. In order to qualify for the State Championships, a wrestler had to finish in the top six places in the Regionals. This year Carlos Bertot and Jeff McMillen won first places in their weight classes in the Regionals. More importantly, the Blue Jays qualified nine wrestlers for the state tournament in mid-February.

Those who qualifed for State were: Shep Baumer (98), Carlos Bertot (105), Chris Gasser (112), Jeff McMillen (126), Glenn Gillen (132), Mike Thomas (145), Danny Hubbell (155), Nick Lorusso (167), and Mike Cola (185). The team's 138 lb. wrestler, Craig Crespo, suffered a serious knee injury at practice the day before Regionals.

At the State Championships, held in Baker, La., Nick Lorusso emerged as the Jays' only State Champion. However, Carlos Bertot captured second place in his division, Chris Gasser took a fourth and Glenn Gillen claimed sixth in his weight class.

This year's team will graduate six seniors: Crespo, Hubbell, Gillen, Lorusso, McMillen, and Thomas. Returnees include the following: Shep Baumer, Kyle Kershaw, Mike Cola, Carlos Bertot, Chris Gasser, Jason Navia, Paul Leonard, Scott Drews, Greg Lacour, Brig Booth, Billy Lahners, Patrick Davis, David Ducote, Caffery Jackson, Spencer Harris, Gerry Halphen, and Brad Naccari.

For the first time ever, the Jesuit Wrestling Team held the Intramural Wrestling Extravaganza. Any student wishing to wrestle only had to sign up and weigh in. The bouts took place during the first half of lunch in the basement. By means of this extravaganza, students who never wrestled before could now do so, thus getting a taste of high school wrestling.
